# ACOUSTIC SETUP

## 6 String Acoustic Guitar

### When Does Your Guitar Need This?

---

A guitar setup should be done on every “new guitar” and older guitars at least once a year. If you have playability issues, fret buzz, tuning problems, etc. your guitar probably needs a professional setup.

### What Does This Do for My Guitar?

---

A professional acoustic guitar setup effectively balances the numerous settings between the parts of your guitar. This **enables proper tone and resolves playability problems** such as fret buzz, incorrect intonation, string action, etc. Inspecting and cleaning keeps your guitar can uncover potential problems and protect finishes.

### What Does a Setup Include?

---

There is a specific process which requires many guitar technician tools to complete a proper guitar setup. Inspection of certain parts may, or may not, mandate adjustments to the specific part. **Our setup includes:**

- 🎵 Check neck relief, nut, bridge, saddle
- 🎵 Check/adjust string action
- 🎵 Install new guitar strings
- 🎵 Tune your guitar
- 🎵 Polish frets & condition fretboard
- 🎵 Detail cleaning of your guitar

### What Does a Guitar Setup Cost?

---

**Our Acoustic Guitar Setup is only \$65 + strings.** There is a variable add-on fee for 12 string acoustic guitars.
